

STUDENT CODE OF CONDUCT

As members of the NIST community during their stay, NIST High School Interns enjoy many of the same privileges as NIST employees, and consequently accept responsibility for mature, acceptable behavior. High School Interns are expected to abide by the guidelines listed below. Violation of the guidelines may result in immediate dismissal from the High School Intern Program and will be reported to the proper authorities.

Respect for Others: NIST is a diverse community whose members come from many varying backgrounds and beliefs. Racist, sexist, or other derogatory remarks will not be tolerated.

Substance Abuse: Illegal use of alcohol and drugs are strictly forbidden on NIST/government grounds. Use of alcohol or illegal substances while at NIST or working at NIST while under the influence of alcohol or illegal drugs will not be tolerated.

Damages or Loss: Students are expected to respect NIST/government property at all times. Students may be held responsible for damages or loss of NIST/government property that resulted from their negligence.

Computer Use: Students may use NIST computers in accordance with NIST IT access and use guidelines. Each student is required to read the “NIST Policy on Information Technology Resources Access and Use” and sign an agreement to abide by the policy.

Possession of Weapons: Possession of weapons considered dangerous or deadly is prohibited on NIST property. A weapon can be any implement that can cause bodily harm, including firearms, knives, and any object used as a weapon.
